

PRESIDENTS LETTER

Well the Tournament season ended this month with the Salmon Unlimited Open and what an end it was. Six Racine boats ventured down to the Tournament and five of them came back with top honors. This goes to show you our port is definitely one of the best on Lake Michigan!

For those of you that have not managed to make it out in the last few weeks you certainly are missing out. The King fishing took off right before the Salmon Unlimited Open and continues to be great. There have been even a few reports of four year olds hitting the river already! Personally I believe that is just the start of it since many four year old fish are still being caught offshore. There should be some pretty good waves of action in the upcoming weeks so get those J-Plugs ready for some harbor patrol! I'm sure the last contest will have most of us sitting right out front. That being said, if you've never done harbor patrol, be sure to fall into place with the other boats running lines. For the most part people tend to circle in front of the harbor so jump into the pack and be courteous.

By the time of our next meeting we should have the SAR wrap up meeting. We have allot to discuss and share with the membership. Something new that just came to light is the new management at the boat ramp. If you have not had a chance to meet Jeff and Niel be sure to stop by the Launching Pad to pay a visit. They are open at 4AM through 10PM daily. Yes I said 4AM! They have coffee for those of us that forget to stop. Best of all they have ICE! We have to schedule time with Jeff to discuss next year's festivities so stay tuned on that. On a side note, just to keep things civil for now, please don't try to talk to them about what we always have done down there. Despite what we feel, there are some ground rules we need to work out and do not want to get off on the wrong foot with old tendencies.

Another thing to keep in mind is "ELECTIONS". We have allot of new people joining the club as well as long time members. Please take some time to talk with current position holders to see if this would be something of interest to you. Supporting the club as an officer or board member is definitely self gratifying and helps the sport we cherish. I certainly have enjoyed my time as President and would gladly mentor anyone who would like the opportunity!

In closing, our October General Membership meetings Speaker will be Jim Mueller of the "Stormtrooper". Most of you know him or heard of him since he consistently places towards the top in most tournaments and runs a successful charter business right here in Racine. Jim will be focusing on this year's fishing, tactics he changed for this year and the outlook for Salmon Fishing going forward. I'm sure it will be informative and a good learning experience for many.

Thanks,

Tom Pietila
Club President

August 17th, 2011 Salmon Unlimited Board Meeting was called to order by Eric West @ 7:06 pm after a quorum was met. Jeff Kingsfield and Chris Skreczko have been excused.

Secretary's minutes were read by Mary Lee, there were no additions or corrections, There was a motion to approve by Jim Muleski and 2nd by R.J. All were in favor ☺

Treasurer's report-Al gave an extensive report at the meeting, but did give a quick update for the month of August. It was stated that in the report at the general membership that Food and Beverage proceeds were not included. There were still some outstanding monies due to us by Turk's, Real Racine and Gander Mountain. As well as there were a couple of expenses pertaining to SAR that came in after the event! If proceeds not here by September meeting will need to have follow up letters and or phone calls. There was a maintenance fee from the bank for going over allowed checks that were written and we had to order more checks and that was an additional fee. Josh Keeran stated that Fishing Charters of Racine made a commitment for monies/donation and would follow up on this.

There was a motion to approve by Jim Muleski and a 2nd by Greg Seitz. All were in favor ☺

SAR-follow up meeting will be the Monday before the General Membership meeting at 5th Street, 7 pm. September 12th. The Old Timers gave us a check for the 10% of proceeds earned at SAR. They have agreed to show us their books. The scale stand will be rebuilt before next SAR. Paul will only be charged scrap metal prices for materials needed. Paul will be donating his services to make the scale stand. ☺ We will be looking into the scale being retrofitted so that it links up with the computer system. There also will be voice recordings as well as receipts given to fisherpersons before they leave the weigh in staging area. All protest will be made at this time. It was stated that there was no need to keep any of the tickets; they are already entered into a data base.

Membership-Curt asked that since it was so late in the year should the roster wait until just prior to the New Year and/or just after. There was a motion made by Jim Muleski to wait on the printing of the roster until the New Year, Paul 2nd the motion. All were in Favor ☺ R J asked if Josh could add a pay pal option on the Salmon Unlimited website so that members can renew and or join on line. RJ reviewed the by laws in regards to delinquent dues by members. It states that members have 60 days and then they will be dropped.

Sunshine-Jeff and Linda Kingfield's brother in law is not doing well and expected to pass in the next day or so.

Federation- Vet's Outing- Kid's Contest- Kid's Clinic-

Scholarship-Al stated that it looks pretty good to have about \$3,000, to give in 2012. ☺

Clothing-SAR items still available need to contact Jeff if you would like to purchase items.

Picnic-Brian Lehman is still chairing. Jeff, Linda and I to help. I am sure he could use some volunteers. This will be after the last outing at Armstrong Park. The meat and corn to be provided and the members should bring a dish to pass. Al will get with Brian for seed monies.

Banquet-Chris stated that at the club meeting we will arrange to reserve the hall for the last week in March. Al gave Chris the monies to get the hall saved for the last Saturday in March. It was discussed about a potential gun raffle at the banquet.

Big Fish Awards-Members need to get these to Ron Seeger as soon as possible. He has not received many as of yet.

Old Business-We sold 4 Wind Point Kings at SAR ☺ there is not much time left to purchase these before the end of the year.

New Business-Tom has been approached about doing a outing comparable to the Uecker. The Milwaukee, Racine and Kenosha clubs would help run this. It was discussed that it needs to be a charity that is about kids. This would be worth doing ☺

Need to be mindful that elections are coming up, and hope that members will be willing to step up the plate and help their club ☺

There was a motion to adjourn by Jim and 2nd by Chris. All in favor ☺

The August 10th, 2011, Salmon Unlimited General Membership meeting was called to order by President Tom Pietila @ 7:08 pm. Tom presented Samantha Boettcher with the check for winning Salmon-a-Rama this year. Round of applause ☺☺☺ Tom stated the guest speaker would be Michael Collins aka Grey Beard.

Secretaries Minutes-were read by Mary Lee. There were two corrections. I stated that the president of the Kenosha Club was Mike Adams (past member) and it is Mike Williams. My apologies to Mike and duly noted and corrected. The second correction is Tim not Tom Buschke. Was written properly just came out of my mouth wrong. There was a motion to approve by Bob Weidman and a Second by Chuck Boedecker. All in Favor ☺

Treasurers Report- given by Al Scheef. Al gave an extensive report on the past three months financial activities. He gave a detailed report on all outgoing and incoming monies as well as a breakdown on the investments, and comparisons to 2010 expenditures and incomes. Jeff Kingfield stated how important it is to patronize and Thank our sponsors for SAR. There was a motion to approve by Bob Stone and a Second by Paul Lohman. All were in Favor ☺

Website-

Big Fish Awards-Need to get these into Ron Seeger as soon as possible Craig and Tom to review SAR for members with fish that qualify. It was discussed later in the meeting about lowering the weight on the King Salmon and raising the weights on the rest of the fish for Master Angler. By a show of hands, there was a No to this but then there was more discussion on if you lower the King weight should increase the weights on the other 4 species. To be discussed at a later date, but before the next fishing season.

Fishing Committee-Last outing discussed only 9 boats apparently there were 11 but 2 did not weigh in. Jeff Kingsfield thanked Uncle Paul Lohman and his crew for taking out his daughter Tracy and myself out in the July outing. His boat had technical difficulties and they very graciously not only took us out but let us catch all the Fish ☺☺☺ the women had a good time. I didn't mention it at the time but will here. A big Thanks to "Sis Brook" from The Magic Scissors for donating the prizes for 1st, 2nd & 3rd place for the women! Tom reviewed the standings to date for all of the outings. He also showed the standing for the Women's outing, big fish and top five and overall. He also reviewed all of the remaining club outings and money tournaments left in the season. The Burn out bash and the August 27th at the Rhino Bar fishing contest was also discussed.

Picnic-Brian Lehman was not present but still chairing. Picnic will be at Armstrong Park directly after the last outing in September. Meat provided attendee's to bring a dish to pass.

Banquet-Chris Strege is starting to organize this early. Asked if members wanted to stay with the Traditional end of March or slate it for the 1st Saturday in April. By a show of hand people wanted the last Saturday in March. It will again be at The Moose Lodge with the same food. Tom asked to get info to use about the Kenosha banquet so as to get our members to their banquet and for them to come to ours.

Membership-In July there was five new members:

Donald & Kim Arndt, Sis Brook (RJ's Mom), Jason & Nicole Campbell, Andy Korducki and Trad Schluetermann. Welcome Aboard! ☺☺☺

Sunshine-Ron stated that Ruth Ann Grayson (Mike's wife) is at home recovering from a stroke. She had been hospitalized during Salmon a Rama. Wayne Seeger's father John Seeger passed away. Tom's, Great Uncle Donald (which is also Richard and Cheryl Pietila's Uncle) Lewis also has passed away.

Correspondence-The Old Timers Organization came down to present a check from proceeds made during Salmon a Rama for \$650.00. He told members a little bit about their organization and what they use the fundraising monies for youth athletics. They have been around for 50 years, and have risen over ¾'s of a million dollars for youth sport in the city of Racine. They are very eager to keep up their partnership with us. A big round of applause for "The Old Timers Athletic Club" ☺☺☺

Scholarship-

Federation-

DNR-Cheryl talked about the 3rd annual open house at the weir and our participation in it. It is slated for October 8th, 2011. Our club will be doing a fish boil and need fish donated for this event.

Misc-Bob Weidman stated that Azaian's have new ownership and have agreed to store our Fish for No Charge!

The Reef marker is being worked on before it falls over.

Chris Strege mentioned a meeting being held about the Root River environmental and development thereof. He encouraged members to go to this meeting as he could not attend.

Tom thanked Angelo Trentadue for his electrical work done down at SAR. Angelo sent a letter off to Brad Egghold from the Fisheries Team about the loss of Kings this past spring and how if at all we could be compensated somehow with other species. Before the micro tagging, every one else would give a little to offset a drastic loss like this. Angelo made a motion to get him to a meeting to discuss the issue. A motion was not needed he was to come but had to postpone being at the meeting. Cheryl agreed to make arrangements to get him to a meeting. After some discussion on the matter, Cheryl also stated that the perch were tested did come back positive for VHS but had no visible external signs of the virus. Please keep this in mind!

Mike Williams from the Kenosha club discussed a tournament in spring and ask for a show of hands how many members were interested and then would get back to us with details ☺

Fishing Report-Members gave reports on everything from Lake Michigan fishing to Blue Gills ☺

Tom asked members if they were interested in being the scheduler for guest speakers. This would make his job as President much easier.

No 50/50

I won the Attendance raffle \$25.00 (Yeah Me!☺)

Motion to adjourn by All ☺
